Madison's Grill & Catering 2007 Christmas Menu

For groups of 50 up to 200, Christmas parties are held at Madison's East Wing. This is a separate banquet hall, located in the same building as Madison's Grill. The room is 1800 square feet, has a raised stage, flexible bar and buffet areas and a small kitchen. Folding 6 foot rectangular tables and padded banquet chairs are available for guest use.

Madison's East Wing allows for many entertainment options. The room can be set up in many configurations and allows a group total privacy. We can do fun money casino gambling with professional dealers (or members of your company if you prefer), karaoke with light show or DJ, live music, Christmas carolers, or company presentations. We've even had fire jugglers entertain guests. Entertainment can make your holiday party much more memorable.

We decorate the East Wing for Christmas every year. Christmas lights and garland add to the warm feelings of the holidays.

We include a trimmed 7-foot Christmas tree as a focal point and a place to rest gifts or to take pictures. We encourage additional decorations specific to your party.

We offer the following custom entertainment packages. (Prices subject to change.)

Blackjack tables	<i>\$100 each</i>
Custom Fun Money	<i>\$50</i>
Professional dealer	<i>\$200 for 4 hours</i>
DJ with karaoke & lights	<i>\$595 for 6 hours</i>
